**Afghan Female Tactical Platoon Event:** The VFW Washington Office hosted members of the Afghan Female Tactical Platoon, lawmakers, and fellow veterans groups to discuss the critical need for the passage of the *Afghan Adjustment Act*. VFW National Legislative Service Associate Director Brittany Dymond spoke at the event about the importance of honoring our allies. She stated, “The Veterans of Foreign Wars is an organization comprised of veterans who were deployed overseas to different countries. In order to accomplish our missions, we often had to rely on our allies who stood shoulder to shoulder with us in harm’s way.” [Read more.](#)
