80th Anniversary of D-Day: June 6, 2024, marks the 80th anniversary of D-Day — the largest amphibious military operation of modern times when 156,000 Allied troops landed by sea and air on five beachheads in Normandy, France. We honor all those who fought and died defending freedom on that historic day. Watch the [DOD documentary](#).

Home Foreclosure Pause Extended: Due to loss of income and financial constraints during the COVID-19 pandemic, thousands of veterans were unable to pay the mortgages on their homes. VA worked with mortgage servicers of VA-guaranteed home loans to pause foreclosures through the end of the pandemic. While many of those veterans are back on track paying their mortgages, some still struggle to make missed payments. For these veterans, VA has extended the foreclosure pause through Dec. 31, 2024.
