

VFW Foundation Post Assistance Grant (PAG) 2023 - 2024 Overview and Application

Overview & Eligibility

- This grant is offered **exclusively to VFW Posts** to offset expenses incurred while improving property owned by the Post or purchasing equipment which will be owned by the Post that increases their capacity to serve their communities locally. VFW Auxiliaries, Departments, Districts and other VFW subordinate organizations, etc. may not apply. Applicants are limited to receiving one PAG once every three years, with the 2023-2024 cycle being the inaugural grant year.
- The maximum grant award is \$2,500, the minimum request amount is \$500. Multiple projects can be included in one application, but the grant may only be received once every three years. For example, a Post receiving the grant during the 2023-2024 year would not be eligible to receive an additional award until the 2026-2027 grant cycle.
- To be eligible, the applying Post must not be suspension. Awards will not be paid to suspended Posts.
- This grant will close on June 2, 2024. If available funding has been completely disbursed prior to the deadline, this grant will close earlier.
- **An applicant organization must complete a qualifying project prior to applying.** Once a qualifying project has been completed, the applicant organization may submit the two-page application which must be accompanied by sufficient proof of how the funds were utilized. Information regarding what qualifies as a sufficient form of proof of spending can be found in the Proof of Spending Section below and submission instructions can be found on the last page of this document.
- Only requests for projects completed after June 1, 2023, will be considered.

Qualifying Grant Project Types

There are two qualifying expenses for which a Post may receive reimbursement through the PAG:

1. Purchases of materials or the hiring of a professional to repair a defect or renovate a fixture on property owned by the Post.
2. Purchases of equipment that enable a Post to better serve or sustain the service they provide to their community.

Qualifying Grant Project Details

The applying Post must provide a detailed explanation of how the repair or equipment purchase directly contributed to the sustainability of their operation or enhanced it. This may include, but is not limited to, the following:

- Improved operational efficiency: Describe how the repair or equipment purchase will enhance the Post's ability to carry out its programs and activities efficiently, reducing unnecessary costs and improving resource utilization.
- Enhanced community impact: Explain how the repaired facilities or new equipment will enable the Post to better serve veterans or engage with the local community, resulting in increased effectiveness and positive outcomes.
- Long-term cost savings: Demonstrate how the repair or equipment purchase will result in long-term cost savings for the Post, such as through improved energy efficiency, reduced maintenance expenses, or extended facility lifespan.
- Strengthened organizational resilience: Outline how the repair or equipment purchase will contribute to the overall resilience of the Post, enabling it to better withstand challenges and continue its mission in the face of unforeseen circumstances.

Ineligible Grant Use and Restrictions

Funding will not be awarded to support activities related to required official VFW programs such as the purchase of Buddy Poppies, donations to VFW National or Department Service Officer programs, etc. The grant will not be awarded to defray general operating costs of a Post. Funding will not be awarded to reimburse applicants for support provided to any individual, government, for-profit or non-profit organization. Requests to support projects that are fundraisers for a VFW Post, individual or other organization will not be considered. Requests to support projects that solely benefit members of a particular race or religion will not be considered. The grant will not be awarded in support of repairs made to a Post canteen or equipment that exclusively is intended for use in a canteen. This grant cannot be used to support political causes or candidates.

Applicants are highly advised to contact VFW Foundation staff to confirm that their project qualifies before making any purchases in support of a project they will seek reimbursement for. The Foundation reserves the right to deny any request it deems to be outside of these guidelines.

Review Process Information

Grant requests are reviewed in the order they are received. Applicants can expect to be notified of a decision within two weeks of receipt of application by the VFW Foundation. If the request has been approved, an ACH (an electronic funds transfer) for the award amount will be sent to the applicant's bank account that is on file at VFW National Headquarters. If the request is not approved, the grant contact, and/or Post officers, will be contacted by members of the VFW Foundation staff.
