About the VFW

VFW and Auxiliary Members: **1.7 Million**
Facebook Followers: **600,000**
Twitter Followers: **58,000+**

Our Mission: To foster camaraderie among United States veterans of overseas conflicts. To serve our veterans, the military and our communities. To advocate on behalf of all veterans.

Who We Are: The Veterans of Foreign Wars of the United States is a nonprofit veterans service organization comprised of eligible veterans and military service members from the active, guard and reserve forces.

We trace our roots back to 1899 when veterans of the Spanish-American War (1898) and the Philippine Insurrection (1899-1902) founded local organizations to secure rights and benefits for their service. Some of these veterans banded together and formed organizations that would become known as the Veterans of Foreign Wars of the United States. After chapters were formed in Ohio, Colorado and Pennsylvania, the movement quickly gained momentum. Today, membership stands at nearly 1.7 million members of the VFW and the VFW Auxiliary.

The VFW’s reach extends far beyond its membership, auxiliary members and family members. VFW members are often leaders in their communities and are often called upon as subject matter experts for veterans initiatives by local politicians and news outlets.

We have many programs and services that work to support veterans, service members and their families, as well as communities worldwide.

Which is why we proudly proclaim:

**NO ONE DOES MORE FOR VETERANS:**
The VFW has a wide array of programs and services that work to serve our nation’s heroes. Our programs are available at no cost, and no VFW-affiliation is required of those we serve. Here is a snapshot:

The **Unmet Needs** program provides aid to qualified veterans and military families with grants of up to $1,500 to be used for rent, mortgage, utilities, vehicle repair, medical expenses and other basic necessities.

The **National Veterans Service (NVS)** program provides assistance to veterans trying to access their earned benefits and compensation from the Department of Veteran Affairs. The NVS program has a special interest in providing counsel to active-duty personnel separating from service. Last year, our nationwide network of VA accredited service officers helped veterans recover seven billion in earned benefits.

The **VFW Mental Health Wellness Campaign** works to combat the veteran suicide epidemic by changing the stigma surrounding mental health. We do this by raising awareness, fostering community engagement, improving research and providing intervention for those affected by invisible injuries and emotional stress.

The **Military Assistance Program** provides morale boosting events to include “welcome home” and “send-off” events for military units.

The **Voice of Democracy** and **Patriot’s Pen** programs are patriotic student essay competitions which provide more than $3 million dollars annually in college scholarships and incentives for students grade 6-12.

The VFW **“Sport Clips Help A Hero Scholarship”** program provides eligible service members and veterans with up to $5,000 of financial assistance to help complete their education goals. To date the VFW has awarded more than 943 veterans and service members over $5 million dollars in scholarships.
