Description:

At Valley Medical Supplies, we offer sales, service, rentals, and delivery of medical supplies and equipment. We have a compassionate staff that will educate you and your loved ones to explain, demonstrate and fit your physical needs to find the right solution. We rent over twenty types of medical equipment, with power mobility the most requested. Our staff will process rental requests immediately giving you fast, reliable, and professional service. The equipment is new, clean, and delivered conveniently throughout the Phoenix Metro area. Please call us and see the difference we can make to help you live independently.
