A new year brings with it opportunities for change. To help keep your life organized, the VFW Store offers a selection of planners. Here is a look at some of those items to keep you on track with your goals in 2024.

Your purchase from the VFW Store supports veterans, military service members and their families.

The pocket calendar provides 13 months – January to January – of week-at-a-glance pages, plus pages for addresses, phone numbers, holidays, time zones and an area code map. [It is item 1283.](#)

If you plan to start journaling this year, or you already do, the VFW Store offers a refillable journal and weekly planner in a synthetic leather case with magnetic closure. Both the weekly planner and the small writing pad can be replaced (check your local office supply store for refills). This planner has a pen loop and slots for business cards and papers, and one window slot. [This product is item 1220.](#)

You also can personalize a 112-page journal with the logo and lettering of your choice. It is available in [rose with black](#) or [black with silver](#). These are items 1205 and 1206.

The presentation portfolio has hideaway handles and a detachable shoulder strap. Inside the zipper closure is space for a 10-inch tablet, a removable 3-ring binder, a letter-size writing pad, as well as pockets for documents, business cards and more. [It is item 1189.](#)
